
Completion Of League Fixtures

Posted by richard - 2010/01/25 22:08

From Devon RFU;

Dear All, Please find attached arrangements for the completion of Devon 1 fixtures this season. These enable 98.6% of fixtures from stage 1 to be completed before proceeding to the play off stage as originally envisaged. Starting the play off section two weeks later than planned means we have little or no leeway if we encounter further problems but this does ensure that what happens on the pitch will decide league positions. Cup matches will be looked at shortly but our priority must be to see the league programme through to conclusion. The pattern of fixtures for the Devon 1 Promotion and Ranking Leagues will be as published previously but with the dates put back by two weeks. I will send out a reminder shortly. Clubs without fixtures on Feb. 6 (Eng. v Wales) and Feb. 13 may be able to play a cup game. Updated draw will be circulated shortly. We hope Clubs will do all they can to get through these difficult circumstances. Yours faithfully,

Geoff Simpson, Devon RFU Competitions secretary.
