## Past Matches

**29<sup>th</sup> September 1934 – Argaum 18 Liskeard 0**

***Argaum celebrate moving to a new ground at Geasons, Plympton with a win***

At Plympton, following a kick-off the Deputy-Mayor of Plymouth (Mr W.L. Bastard). Argaum pressed, and Hodge obtained possession to send Sully over for a try, which with a fine kick Robinson converted. Liskeard forwards were fast, and kept the game in the Argaum territory for some time. Argaum attacked strongly in the second half, but the Liskeard forwards took play the home half. Sully was instrumental in transferring play to the visitors' "25," and Perry scored, for Robinson to convert. A few minutes later Hodge sent Wilton over. Keeping up the pressure, Rowden scored, and Robinson landed a good goal.

*The compliment was returned in 1956 when Liskeard-Looe reformed as a club after the war. Their first opposition was Plymouth Argaum, who returned once again in December 2006 as part of the club's 50<sup>th</sup> Anniversary celebrations. The two clubs also combined, along with Saltash, at Colts level in the 2011-12 season.*

## Splash The Colour Appeal

Plymouth Hospital's Charity and the Children's Happy Hospital Fund have come together to run a Christmas Appeal called **Splash'ED'**. The Trust is building the Paediatric expansion to the Emergency Department and the two charities need your help to create a beautiful underwater-themed extension to the children's

Emergency Department. Plymouth Argaum are pleased to support this Charity today, we thank you for any donations you are able to make.

## PAPPA VI

A very warm welcome to all of our past players and their friends today for our 6<sup>th</sup> PAPPA reunion. We are particularly pleased to welcome Saltash RFC President Bill Ryan, well known to both clubs playing today, who will present the club with his account of the 1966-67 season, one in which he was skipper.

*Of news to former players: In the new year the club will be relaunching its Vice Presidents membership which will include social events and the opportunity for members to purchase international tickets. More details to follow but Pete Duff, who is here before the match, will be wanting to hear from those interested.*
