Past Matches

28th March 2015 – Argaum 20 Plymstock AO 15 – Devon 1

PLYMOUTH Argaum claimed the Devon One title with a hard-earned 20-15 victory over second-placed Plymstock Albion Oaks at Bickleigh Down. Plymstock had more than their fair share of possession and territory at Bickleigh Down, but Argaum defended brilliantly and just had that cutting edge at the other end of the field to seal the four points. Argaum had made an impressive start to the must-win game, storming into an 8-0 lead thanks to a Jake Turfrey try and a penalty. But after that Oaks enjoyed the better of the first half. They had chance after chance but just could not get over the line. However, with half-time approaching and after a number of five-metre scrums, Oaks finally did get over the whitewash to go into the break just three points behind. They levelled the game straight after the interval with a penalty but Argaum then stepped up a gear and scored a second try through Jamie Burton. The home side were then held up over the line before they got a third when Paul Ansell crossed in the right corner and his effort was brilliantly converted. That left the score at 20-8 and Argaum looked like they were on their way to victory. But Oaks set up a storming ending and a nervous few minutes for the home team, after they were awarded a penalty try following some good pressure on the line. Plymstock finished on the attack but Argaum just managed to hold on, much to the delight of their players and supporters. (courtesy of Plymouth Sports Gazette)
